Introduction

Introduction

The present beamer theme called the **AAU Sidebar Beamer Theme** is an attempt to

- ▶ create a simple and elegant beamer theme which can be used by students and researchers affiliated with Aalborg University (AAU),

The present beamer theme called the **AAU Sidebar Beamer Theme** is an attempt to

- ▶ create a simple and elegant beamer theme which can be used by students and researchers affiliated with Aalborg University (AAU),
- ▶ create a unique AAU theme which does not resemble any of the standard beamer themes. People should associate this theme with AAU and not with beamer,

The present beamer theme called the **AAU Sidebar Beamer Theme** is an attempt to

- ▶ create a simple and elegant beamer theme which can be used by students and researchers affiliated with Aalborg University (AAU),
- ▶ create a unique AAU theme which does not resemble any of the standard beamer themes. People should associate this theme with AAU and not with beamer,
- ▶ keep the amount of clutter to a minimum. Only the important things should be on the slides,

The present beamer theme called the **AAU Sidebar Beamer Theme** is an attempt to

- ▶ create a simple and elegant beamer theme which can be used by students and researchers affiliated with Aalborg University (AAU),
- ▶ create a unique AAU theme which does not resemble any of the standard beamer themes. People should associate this theme with AAU and not with beamer,
- ▶ keep the amount of clutter to a minimum. Only the important things should be on the slides,
- ▶ retain the powerful customisation tools provided by the template system of the beamer class.

Thank you for using this theme!
